SHOW DAY:

Backstage set up for students in multiple dances:

Students who have **more than 1 dance/1 costume** should bring either a beach towel or small blanket and a cheap laundry basket. Backstage Moms & Wight Noise Staff will be on hand to help show the students how to lay out their costumes on their own personal towel/blanket in concert order. This will help to ensure a smooth run for each child, having their costume pieces organized in their own space and on their own towel/blanket. Once the child is done with a dance, they will place that costume in their laundry basket so not to get it confused with other items. Please impress upon your child that they should not remove or altar items on any other towel/blanket.

EXAMPLE

Hair style changes: If your child has a hair change in the first half, Backstage Moms & staff will help with this.

Cheer (Petite, Mini & Junior) Hair is High Ponytail

Statik : Down

All other classes: Low bun, slicked back (no bangs or loose pieces), neat and clean

Thank you so much for being a part of our Wight Noise Family! We have enjoyed watching your children grow over this past year and the last several years. This is an emotional time for me and my staff as it is the last show for Wight Noise Dance Studio. It has been such a joy for all of us to work with your children and get to know you all. I truly feel we have built our own extended family and I hope we will continue to follow and support each other's endeavors in life. I want to thank each one of you for sharing your children with us and for supporting this little dream of mine. I am overwhelmed with gratitude and will cherish these memories for the rest of my life.

*With much Gratitude and Love,
Rachel*
